# Council Adopts Record Fund Bill

Running the city is officially a million-dollar business.

City Council Tuesday night gave final readings and passed the 1964 appropriation ordinance which allows \$1,075,746.86 for operating the municipality.

The appropriation tops last year's record figure of \$997,075.56 by \$78,671.30 and marks the first time in the city's history that the total exceeds \$1 million.

The measure was introduced at Council's last regular session March 3. The city has been operating on a three-month temporary appropriation.

Of the total appropriated this year, \$378,604.97 goes into the general fund, with \$96,700 earmarked for the operation of the

police department and \$85,565 for the fire department.

Service department expenses totaling \$117,123.87 are also included in the general fund total.

Mayor Dean B. Crammer last night asked Council to consider the possibility of building a new city garage. The old W. State St. garage, known as "the hole," is underground and has long been notorious because of its humid condition.

The mayor told Council that during the last big rain, water seeped into the city's gasoline storage tank and resulted in most of the municipal vehicles being stranded in various parts of the city.

A new gasoline storage tank

has been installed alongside the old scale house on W. State St., the mayor said.

Mayor Crammer remarked that he has been assured by the A. P. O'Horo Co., contractor for the W. State St. overpass, that work on the structure will resume in the near future. Work was halted by winter weather.

**IN OTHER ACTION.** Council passed an ordinance declaring the necessity of a bond issue and providing for the issuance of notes totaling \$7,663.43 to cover the property owners' share of the installation of a sanitary sewer along the west side of Cedar, Cherry, Olive, Orchard and Oak Streets.

The city has to provide funds

for the entire project, with the property owners share being paid in full after construction or by being placed on the tax duplicate and being paid by assessment over a 10-year period.

## 6th Parking Ban

An ordinance banning parking on the south side of E. 6th St. from N. Lincoln Ave. to Hawley Ave. was also passed along with an ordinance authorizing the safety director to advertise for bids and purchasing a new station wagon for use by the fire chief. The 1957 vehicle now in use will be used as a trade-in.

Receiving its first reading was an ordinance raising the fees for plumbing permits in the city.

The ordinance placed Salem's rates closer to those of other surrounding communities and would have resulted in \$108 in additional income if they had been in effect during 1963.

Jack Rance, chairman of the rules and ordinance committee, told Council that his committee would let an ordinance raising the fee for peddlers and vendors, "die in committee".

The ordinance was introduced at the last meeting. Rance said it is the committee's feeling that the ordinance does not rectify the problem that was intended to be solved. Since last year, Council has been seeking a way to protect Salem citizens from "fast-talking" door-to-door salesmen who have "taken"

many residents in shady deals.

Councilman Charles Gibbs, who first brought the matter to the legislators' attention, pointed out that the only apparent method of solving the problem is to remind residents that all out-of-town peddlers must have a permit issued by the mayor's office.

"Residents should ask to see the permit, and if he is unable to produce one, they should call the police," Gibbs said.

**COUNCIL VOTED TO** accept Engineer F. S. Barckhoff's estimates on the cost of four street improvement projects planned this summer.

The four projects include the concrete paving of Ohio Ave.

from E. State St. to Franklin Ave. and the addition of necessary storm sewers. (\$71,065.17)

Resurfacing W. 10th St. from Ellsworth Ave. to Jennings Ave. (\$8,691.49)

Resurfacing Howard Ave. from W. Wilson St. to E. 5th St. (\$11,333.75)

Resurfacing W. Wilson St. from S. Broadway to S. Howard Ave. (\$4,029.58)

Barckhoff is expected to have estimates on the widening of the west side of N. Lincoln Ave. from E. 2nd St. to State St. and extension of curbing along the north side of E. State St. from the Hanna E. Mullins School of Practical Nursing to N. Madison, ready at a later date.

## City Income Tax Report:

# 3-Year Total Is \$540,941

City income tax collections from 1961 through 1963 totaled \$540,941.03, according to a report issued by City Auditor Helen R. Coyne.

The capital improvement fund received \$199,717.08 of the total, while \$299,575.64 went into the general fund.

The city income tax is based on one-half of one per cent of income.

A \$7,500 bank loan actually increased the over-all revenue figure by that amount, plus \$75 from the sale of an office desk.

The report showed that dis-

## Delayed

## Housewife to Begin World Solo Flight Thursday

COLUMBUS, Ohio (AP) — Mrs. Jerrie Mock, 38-year-old Columbus housewife and mother, has delayed until Thursday her take off on a planned around-the-world solo flight.

Mrs. Mock, who seeks to establish a women's record, now proposes to begin her flight from Port Columbus Thursday about 8 a.m.

She will pilot a single-engine Cessna which did not arrive in Columbus until early today from Wichita, Kan. A fuel system had been installed there. She hopes to complete the world flight in 90 days or less.

Her first stop will be Bermuda. From there her scheduled stops, adapted to both weather and world political conditions, includes the Azores, Casablanca, Tunis, Cairo, Bahrain Island, Karachi, Bombay, Madras, Singapore, Manila, Guam, Wake, Honolulu, San Francisco, and back to Columbus.

Mrs. Mock said the time it takes here to return to Port Columbus, including stopovers, automatically establishes the women's speed record for around-the-world flight. This, she said, is under the regulations of the Federacion Aeronautique Internationale, for both an around-the-world speed record for a woman and a record first for planes in the weight class of her Cessna. She added that the federation has sanctioned her trip.

Where did she get the idea of the flight?

bursements for the three-year period were \$544,715.95.

Operating costs for the three-year period amounted to \$45,423.73. In 1961, operational costs came to \$26,903.89 including \$10,500 for a tax consultant.

Operating costs for 1962 amounted to \$8,888.55 and last year, \$9,630.29.

### Report For 1961

In 1961 city income tax collections and other receipts totaled \$138,421.59. Of this amount, \$42,920.95 went into the capital improvement fund and \$64,381.45 went into the General Fund. Disbursements totaled \$134,206.29, leaving a balance at the end of '61 of \$4,215.30.

Capital improvement disbursements totaled \$24,605.94 leaving a balance of \$18,315.01 at the end of '61. Street lighting accounted for \$8,927.53 of the fund.

Other expenditures included: Police cruisers, \$3,183.00; State St. and Ellsworth Ave. intersections, \$6,801.34; street improvements, \$4,227.32; spreader for trucks, \$1,228 and sump pump, \$23.75.

### Report For 1962

In 1962, total revenues collected were \$197,848.42. Of this amount \$73,599.61 went into the capital improvement fund and \$110,399.41 went into the general fund. Disbursements that year totaled \$192,887.57, leaving a year-end balance of \$9,176.15.

Capital Improvement disbursements in 1962 totaled \$54,333.78 leaving a balance of \$37,580.84 at the end of '62. Included in the disbursements were: Overpass, \$22,092.72; dump truck, \$2,286.40; road grader, \$4,500; hi lift, \$5,500; police cruisers, \$1,964.94; Hillsdale sewer, \$3,326.14; Penn, Lundy and North Broadway Aves., \$166.12 and Columbia, Second and Broadway, \$14,497.46.

### Report For 1963

City income tax collections for 1963 totaled \$212,236.02. The capital improvement fund received \$83,196.52 while the general fund was credited with \$124,794.78.

Capital improvement fund revenues came from: check from SAIDC for the A & P sewer line, \$11,691.04; transfer from Hillsdale sewer, \$2,433.42 and a bank loan, \$35,000.

Disbursements in the fund in 1963 totaled \$139,858.13. A bal-

## Wollam Named to Alliance School Job

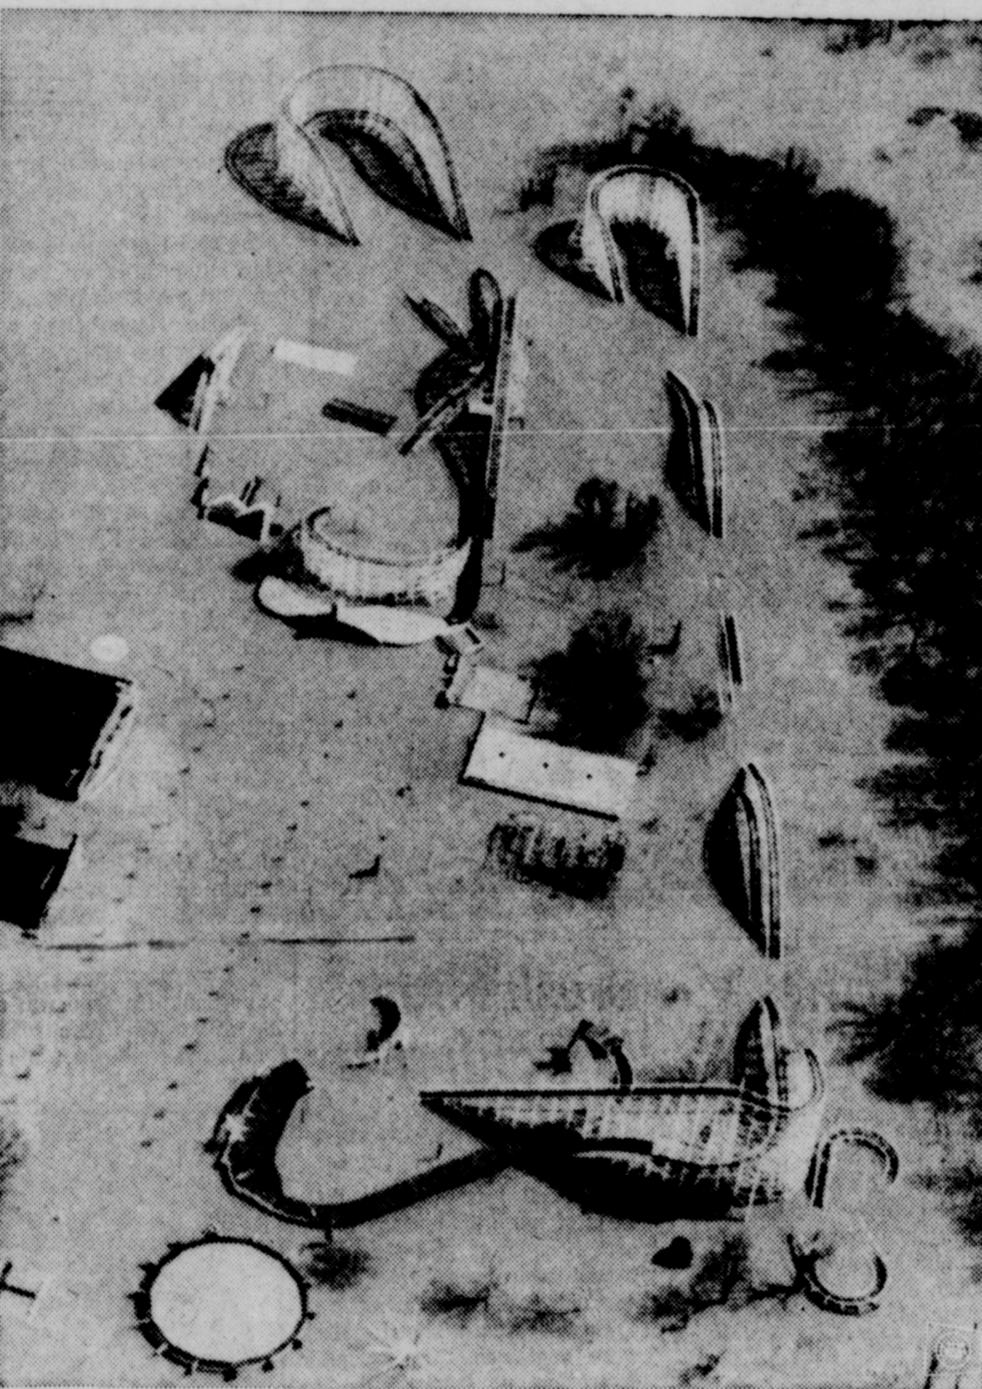

ALLIANCE, Ohio (AP) — Dr. Walter Wollam was appointed Tuesday night to a three-year term as superintendent of Alliance public schools.

His salary will range from \$13,500 the first year to \$14,500 the third year.

Dr. Wollam, 38, became acting superintendent last October when Dr. L. E. Law resigned to become school superintendent at Tuesday's Council meeting with councilmen voting to advertise for bids a third time.

The addition is to be 133' by 177' in size.

Bids regarding the second advertisement were opened Saturday, with the apparent low bidder being Ed Susany of Petersburg, whose bid was \$32 under the next lowest, Bricker Construction Co. of Salem. Robert

CREATURE FROM THE BLACK LAGOON? — The French might call it *trompe-l'oeil* — an eye-fooler — and the Scottish might call it an American version of the Loch Ness monster. But residents of Cincinnati, Ohio, know exactly what it is: the half-submerged roller coaster at a nearby amusement park. The scene was created by the swollen Ohio River, which crested at about 66 feet.

### Mystery Ailment Kills 2 More In Family

ST. AUGUSTINE, Fla. (AP) — A congenital heart defect was suggested today as the possible cause of the deaths of a brother and sister within two hours of each other here. In two generations, six other members of the same family also have died suddenly.

Edward Ambrose Martin, 15, a husky sophomore at St. Augustine's St. Joseph High School, collapsed and died Monday after running only 200 yards of a mile-and-a-half cross-country event.

His sister, Angelia Diane, 14, at home recovering from mumps, appeared to go into

### Flying Grandfather' Feels Fine After Crash

REYKJAVIK, Iceland (AP) —

Max Conrad, America's flying grandfather, is reported in "fine shape" after being rescued from the Greenland icecap where he crashlanded a single-engine plane.

It was the 62-year-old pilot's first crash in nearly 14 years of criss-crossing oceans delivering single-engine planes to customers.

By his reckoning, he was making his 100th transatlantic solo flight Tuesday. Apparently trouble with the Italian Proacer Picchio F15 he was ferrying from Italy to Canada forced him down on the barren icecap in

## Blow to Rhodes Drive to Attract Firms

# Court Rules Against Ohio Industry Loans

COLUMBUS, Ohio (AP) — The Ohio Supreme Court said today that the state may not make industrial loans to private corporations.

Without holding the entire 1963 statute unconstitutional, the high court dealt a body blow to Gov. James A. Rhodes' program to create thousands of jobs through loans to attract industry from other states and to expand Ohio plants.

The unanimous decision said use of public funds raised through bond issues by the newly-created Development Financing Commission could not be loaned for promotion of private business ventures.

"We are unanimously of the opinion that the proposed borrowing and lending by the commission . . . would represent a giving or loaning of the credit of the state of Ohio in the aid of private interests and are prohibited . . . by the Ohio Constitution," the court said.

### Came In Friendly Suit

The decision by Chief Justice Kingsley A. Taft came in a friendly suit by Atty. Gen. William B. Saxbe, at the governor's request, to test authority of the seven-member commission.

Commissioners had planned an initial \$10 million bond issue and

had approved more than \$4 million in loans to about eight applicants.

The commission was created as the financial arm of the Department of Development, key-

stone in Rhodes' program for opening 200,000 new jobs that he asserted would help cure such social ills as unemployment, poor relief, racial discrimination, school dropouts and juvenile delinquency.

### Many Had Applied

Development Director George Wilson said scores of companies had applied for loans and that

many others were "good prospects." Wilson has led teams of development experts to other states in efforts to recruit industry for Ohio.

The Cleveland law firm of Squire, Sanders and Dempsey defended commissioners in the "quo warranto" action in which Saxbe inquired by what right they proposed to operate.

Commissioners are: Vance

Brand of Woodstock, Austin E. Knowlton of Delaware, Wilbur D. Fulton of Cleveland, William C. Safford of Cincinnati, Paul E. Humes Jr. of Youngstown, Joseph Thomas of Akron and

Milton Knight of Perrysburg.

### De Gaulle Proposes Big Program

## French, Mexican Exchanges Urged

MEXICO CITY (AP) — President Charles de Gaulle proposes that France and Mexico join in a big exchange program but says it wouldn't cut into Mexico's relations with the United States.

De Gaulle told a joint session of the Mexican Congress Tuesday that Latin America is forging into "the foreground of the stage of world affairs."

He made clear that he wants to increase French influence in the region.

The 73-year-old French leader

suggested Mexico and France begin a large-scale pro-

gram of scientific, cultural and

technical exchanges and be-

come "true and good compa-

nions in the work of civilization."

"Without a doubt such a

rapprochement implies that the

aim, the attitude, the action, in

a word the policy of Mexico City

## Foreign Aid 'New Look' Plans Shelved by LBJ

WASHINGTON (AP)—President Johnson's plans to give the controversial foreign aid bill a new look were shelved after a quiet little White House dinner about six weeks ago, a high source reports. The main decision involved

## Senator Rips Meat Imports

### Freeman Opposes Quotas Legislation

WASHINGTON (AP)—Caught in the squeeze of international trade negotiations, the Johnson administration may be stockpiling some election troubles by resisting legislation to cut meat imports.

Republicans contend that the Western prairies are on fire with protests of cattle and sheep raisers. Sen. Roman L. Hruska, R-Neb., contends some cattlemen are "going broke" because of boosted imports of beef, veal and mutton under voluntary agreements with Australia and New Zealand.

That there is Democratic concern over the matter was demonstrated by the action of Senate majority leader Mike Mansfield of Montana in proposing quotas which would limit such imports to the average of 1959-63 base period. Mansfield is seeking re-election in November.

Morgan then repeated his long-held views that the military assistance portion of the foreign aid bill is the only thing that gets it through Congress each year, and that to separate the two sections would be an open invitation to the program's foes to decimate the economic aid, or "foreign aid giveaway," as they call it.

Other important voices backed Morgan's view, the source said.

President Johnson's foreign aid message is due to arrive on Capitol Hill Thursday, and he is expected to ask for about \$4 billion in one package for the program this year. President Kennedy asked for \$4.5 billion last year, but the House slashed it to \$3 billion.

### Signup Deadline March 27 In Feed Grain Program

March 27 is the last day for filing an application to take part in the 1964 feed grain program.

J. Glenn Bates, chairman of the Agricultural Stabilization and Conservation Committee of Columbiana County, said today.

He urges growers who are interested in the program to call at the Columbiana ASCS office in Lisbon as soon as possible.

The office is open from Monday through Friday from 8 a.m. to 4:30 p.m.

As last year, the feed program covers corn, grain sorghum and barley. Minimum diversion under the 1964 program is 20 per cent of the individual's farm total feed grain base. For diverting more than the minimum acreage from feed grain production into a conserving use, the diversion payment will be figured at a higher rate. If the diversion is 40 per cent or more, the higher rate applies to the whole diversion.

Besides the diversion payments (part of which may be paid in advance if the farmer requests it), a participating grower also earns price-support payments on the normal production of the acreage planted to one or more of the three feed grains in 1964, and he is also eligible to put his crops under the regular price support loans or purchase agreements.

The chairman reports that farmer interest in Columbiana County is higher than last year. Columbiana County had 290 participating farms in 1963. To date 320 have signed up in the 1964 feed grain program.

### RHODES EYES TORONTO

COLUMBUS, Ohio (AP)—Toronto, Ont., Canada is the current target for Gov. James A. Rhodes' industry-seeking expedition. Members of the group, including both government and business representatives, were to talk to Toronto industrialists today and Thursday.

Rice, rubber, copra and cinnamon are important crops in South Viet Nam.

### 96 Volunteer To Give Organ

## Doctors To Pick Donor Of Kidney for Ill Youth

CLEVELAND (AP)—Doctors were to start today the process of selecting a volunteer from 96 persons willing to donate a kidney so that 11-year-old Allan Scott Jr. may live longer.

Among the volunteers who have offered to help the boy are four persons with multiple kidneys. One of these could be selected for a kidney transplant.

The four volunteers include a Hamilton housewife and a greater Cleveland telephone operator—both of whom said they had three kidneys instead of the usual two. The other two, who said they have four kidneys each, are a grocer and a credit bureau representative.

Although such multiple kidneys are likely to be smaller than normal, doctors said, Allan, a freckle-faced boy from Garden City, Mich., is still a

little boy and a small kidney might do.

Allan was stricken last summer with a kidney disease and his parents were told then he wouldn't live more than a few weeks. He was brought unconscious to Cleveland Clinic Feb. 1.

In the last six weeks he has responded to treatment with an artificial kidney—a machine that cleanses poisonous waste products from the blood. Doctors say a successful kidney transplant is the boy's only hope.

The Northern Ohio chapter of the Kidney Disease Foundation issued an appeal for donors. In addition to the 96, offers to donate blood needed during an operation have come from 35 others.

## The Lenten Story

BY WOODIE ISHMAEL

LORD, REMEMBER ME

"They crucified Him between two thieves, one on the right and one on the left. One of the thieves began to abuse Him, saying: 'If Thou be Christ, save Thyself and us.'"

But the other rebuked him, "Dost thou not fear God, seeing thou are under the same sentence? And we indeed justly, for we are receiving what our deeds deserved, but this man has done nothing wrong."

Turning to Jesus, he pleaded, "Lord, remember me when Thou comest into Thy kingdom."

And Jesus said unto him, "Verily, I say unto thee today shalt thou be with Me in Paradise." (Luke XXIII:43)

The Good Thief, as he has been known since that day, did not abandon his hope in his final hour and went to his reward with his new found Master.

## 60 Persons Attend Banquet at Leetonia

LEETONIA — Sixty persons attended the mother and daughter banquet Monday given by the Future Homemakers of America of Leetonia High School.

Skits were presented by the freshman girls. Taking part were Kathleen Casey, Jane Kleinkech, Beverly Bell, Rose Holisky, Joann Raneri, Mary Ann Eskay, Beverly Shimmer and Cathy Ferry.

Participating in a skit presented by the senior girls were Judy Trenkelbach, Brenda Wilson, Shirley Stratton, Arleen Hively, Cecilia Kalafus and Sue Sanders.

Next meeting will be April 6.

HUB-WI CLUB will meet at 9 p.m. Saturday at the home of Mr. and Mrs. John Kalafus. The group will play "500."

Final plans were made for an April 3 dance at Orchard Hill School when members of the Science Club met Monday at the high school. Music for the event, which will be held from 8 to 11:30 p.m., will be furnished by the Embers. Mrs. James Buchanan is adviser.

Three-In-One Club met at the home of Mr. and Mrs. Ed Kelly. Prizes were awarded to Mrs. Donald Coleman and Paul Lower. Next meeting will be April 18 at the home of Mr. and Mrs. Lower.

PLANS FOR the 13th anniversary celebration of the Leetonia Eagles Auxiliary 1496 were made when the auxiliary met recently. The event will be Sunday with supper at Morgan's Restaurant. Members are to meet at 4 p.m. at the FOE Hall and bring a small gift of something green for exchange.

Mrs. Arthur Spatholt has been named chairman of the American Red Cross drive for the Leetonia area. The drive is being held this week.

Al Citina, owner of the Isaly store, is sponsoring an Easter egg hunt at 1:30 p.m. Saturday at Wick Park. Prizes will be awarded to children 10 years or under who find the lucky eggs. In case of bad weather, the event will be held March 28.

HONOR ROLL and honorable mention lists for Leetonia High School and Orchard Hill Junior High School for the fourth six weeks grading period are as follows:

## LBJ Says American Dream Nation's Greatest Strength

NEW YORK (AP) — A self-styled "Irishman by osmosis," President Johnson told a St. Patrick's Day dinner "I have found our nation's greatest strength lies in the dream of America — America, the land of hope; America, the land of opportunity."

"All the slings and arrows of our opponents in the world have never succeeded in destroying that image," he said Tuesday night.

With jest and with serious talk, Johnson spoke to more than 2,500 members of the Friendly Sons of St. Patrick in a Waldorf-Astoria Hotel ballroom festooned with green streamers hanging from crystal chandeliers. The headtable was scarcely visible behind green carnations.

Explaining why he is Irish by osmosis, the President spoke of the Irishmen in big government places — associates in the White House, the speaker of the House, and the Senate Democratic leader.

"I woke up this morning," he said with a smile, "and suddenly realized that the Irish have taken over the government. And I like it."

He said the dinner was supposed to be a nonpartisan affair, but remarked that the Democratic party is "so peaceful the Irish may move to the Republican party where the feuding is really going on."

Then, turning serious, the President said St. Patrick's Day is one in which America's sick of body can find help and the sick of heart can find hope.

## If At First You Don't Succeed

Everything about the federal pay raise bill voted down Thursday turned sour. This was the bill that would have hoisted congressional salaries from \$22,500 to \$35,000 a year.

It also was the bill that would have raised the pay of 1.7 million federal employees in varying small percentages. These employees cannot help but be sore. Their chance to improve their lot was tied up improperly with the congressional boost. It did not belong in a bill of that kind.

A postal employee hoping for an improvement of a few percentage is not the same category with a \$22,500 congressman hoping for \$35,000 in one fell swoop. He got a raw deal.

We must assume all the other federal workers who lost wish the legislators had made their pay raise the subject of a

separate proposal and lost on their own time.

ANOTHER thing that turned sour was to make it clear that the only reason the proposal failed was because one member of Congress turned out to be a stinker and demanded a roll call. That killed it. Representatives were unwilling to risk a decision to raise their pay a whopping 44.44 per cent in one jump if they had to go on record.

To save their own skins, they nailed 1.7 other federal employees to the barn door.

Eventually, we may be sure, congressmen will raise their own pay. They can do it whenever they get around to it. With a little more skill the next time, they could slip it through without a roll call.

You can bet they will try.

## 'Discussing the Issues'

What did Gov. Rockefeller and Sen. Goldwater mean when they deplored the way Ambassador Lodge cornered votes in New Hampshire without "discussing the issues"?

What does it mean when Sen. Young and his backers in Ohio deplore the absence of Col. Glenn because they cannot find out how he stands on the "issues"?

What do politicians in general mean when they talk about "discussing the issue" as if that were the lifeblood of politics? At the outset of another national campaign, is it possible the politicians, themselves, may need to clear their minds on this matter?

WHAT THEY do when they "discuss issues" is to pepper each other with pronouncements that have no more to do with the issues than moon-flight. What issues were "discussed" in 1960—Queney and Matsu, whether the Eisenhower administration had been too easy on Cuba, the image of the United States, the rate of growth? What was accomplished other than a debate?

What issues were "discussed" in New Hampshire—the budget, civil rights, social security, South Viet Nam, Cuba? To what purpose were these things discussed. No one was trying to find a solution.

## Only One Hold Barred

Newspaperman and, we hope, all public officials are studying the U.S. Supreme Court's unanimous decision that no public official may recover damages for what he believes was a libel of his official conduct, unless he can show there was malice.

The case developed out of an action in Alabama courts against The New York Times for publishing an advertisement signed by Northern backers of civil rights and four Negro ministers in the South. It was critical of the manner public officials had handled civil rights demonstrations in Montgomery.

Though no names were used, the Montgomery police chief identified himself as the official criticized and won an award. A judgment of half a million dollars was made against the Times and the four Negro ministers. The Times carried the case to the Supreme Court.

THE RULING rebuking and reversing the Alabama court is historically important. It bars one more hold in the long, uphill fight of the press to expose all public officials to continuous scrutiny and criticism.

## Some Year...

This happens to me every March. One morning the sun is bright enough to make its warmth felt inside the car on the way to work. The sky is blue. Birds are sounding cheerful. Tweet.

We come to the place on the road where work lies straight ahead. So we don't go that way. We turn to the right.

In due time, we come to a place where work is a turn to the left. So we turn to the right again. "We" is me and the headstrong little whizzmobile that takes me to work and back each day.

Something gets into it when the sun feels warm enough on March mornings to make Spring seem probable.

So we turn to the right where we should turn to the left.

Thereafter it doesn't matter which way we turn. We have made up our mind to ditch the routine.

WE WILL FILL the tank and go up hill and down dale, townside and country-side until lunch. Then we'll stop in a sunny roadside park and eat fresh strawberries and sugar cookies.

After lunch, we'll roll up in the scotch plaid blanket and take 40 winks, to be fresh for the afternoon fishing. It's time for suckers, which will bite on anything.

We'll bait the hook with old gasoline credit slips. When we have a handful of fish we'll build a fire and have supper. Then we'll take a leisurely jaunt down the road to a motel and hole up for the night.

From now on, only one hold is barred when the press goes to the mat with a public official.

The official must have been criticized with malice. The only basis for a libel action against a critic is proof of malicious intent to injure him in his official capacity. In his private life, of course, he is entitled to the same protection all other citizens have.

EVEN IF allegations against a public official are in error, they are not libelous unless there was malicious intent. An honest mistake does not constitute grounds for a libel action. Malice? It is hard to define and will be hard to prove.

The battle by holders of public power to stifle critics is never-ending. Its wagging is an integral part of the dynamism of democracy.

Officeholders never quit being sensitive to criticism of their official acts, and the press never quits needling them.

If it ever stops, the spark will have gone out of popular government.

The Supreme Court has made doubly certain it can't be stopped—not even in Alabama.

By Truman Twill

Tomorrow we'll make tracks for Spring, where magnolias bloom. We'll get tanned. We'll dry up our thumping sinus and change our oil. We'll stop and go through a car wash and a steam bath.

SOMETIMES we'll hit the road and sometimes we'll hit the sack, as the mood strikes us. But whether it's one or the other we'll never worry about being anywhere on time or doing anything because it's what is expected.

Knights of the open road: that's the idea.

Fresh strawberries and sugar cookies for lunch every day. Filet mignon every night. Toast and three kinds of jelly in the morning. With a pot of coffee.

It happens every March. And it always turns out the same way.

After that second right turn, the magnetic compass and the automatic pilot get their pointed heads together and see to it that the whizzmobile and I are steered toward duty.

Fifteen minutes later, there's the salt mine. Not a fresh strawberry or a sugar cookie anywhere.

We truants sneak into the parking lot, say a sobbing "au revoir" and buckle down. For lunch it's hamburger, as always. And then home to get rested up for another day.

Someday...  
Some Spring...  
Some year...

## Reuther Has Woman Trouble

By VICTOR RIESEL

It had to happen to Walter Reuther. He does not drink; he does not smoke; his hobby is furniture making, and he is happily married. But now he has a trouble with the ladies—in his own union.

They are telling him to take another look at the facts of union life.

They feel they are being treated unequally and more unequally than other women in other unions.

They have been listening to their auto union leader talk so energetically about the rights of man, they have become convinced. They want some for the women in the massive union.

They want representation among the United Automobile Workers (UAW) all-male national leadership and on other policy-making boards right on down the line.

They are planning socials and demonstrations at the union's convention in Atlantic City next week—all on a well-organized basis.

For the drive to get a woman on the UAW 26-man high command the ladies have organized "The Committee for the Election of a Woman to the UAW

International Executive Board."

IT SPEAKS for 150,000 distaffers among a membership of 1.2 million who work in and around the auto factories. Their plaint is the cry of millions of women inside the national AFL-CIO itself. There are no national or international female union presidents.

I can think of only one lady national vice president—Mrs. Myra Wolfgang, international Restaurant Employees, who has vice president of the Hotel and just launched a drive to unionize the "bunnies." For the uninitiated, "bunnies" are the lightly clad waitresses and drink dispensers in a chain of night spots.

There are a handful of women on the international boards of a few unions such as Howard Coughlin's Office Employees International. But on the overwhelming number of such bodies, from the national AFL-CIO to Ceylon, minister to Bulgaria, and assistant secretary of defense for civil defense.

—

YET THERE are 23.75 million women in the work force of America. Of these, the most militant now active on the trade union level are the 150,000 in Reuther's organization. In the last few weeks, their committee has been pressuring his executive board to propose to the nominating caucus at the UAW national convention that a woman be named to the board. The convention has the power to do so.

The women's committee takes itself very seriously. And so should the labor leaders. As the blue collar men in overalls are replaced by the white collar employees and automation makes muscle and physical strength less significant on the production line than the ability to feed a computer, the ladies will shape into their own and therefore will be far different from the leadership of today.

—

THEY WARN also that he will need them in his political campaigns. "All political pros predict," they say, "that the potential women's vote will exceed the potential men's vote by five million in 1964."

—

THE UAW DISTAFF committee points out that they have 12.5 per cent of the big union's total membership.

—

THE ladies point out that President Johnson said he did not want a "stag" government.

But an analysis reveals that it

too is stag. There are only 16 women in high-level govern-

ment positions today. Among these are director of the Women's Bureau of the Department of Labor, special assistant to the President for Consumer affairs, assistant administrator of AID, director of the Public Housing Administration, director of the U.S. Mint, treasurer of the U.S. ambassador to Ceylon, minister to Bulgaria, and assistant secretary of defense for civil defense.

—

The ladies then warn Reuther that he will need them in his campaign to unionize white collar workers, many of whom are women.

MEMBERS OF THE BETA Theta Chapter of Epsilon Sigma Alpha Sorority held a business meeting recently at the home of Mrs. James Rhodes Jr. of Winona.

Plans were made for the March 25th meeting when the group will be hostesses to members of the Beta Lambda Chapter of Leetonia at the home of Mrs. Emily Richey of RD 4, Lisbon.

The chapter will tour the Salem Public Library in April, and an invitation has been received from the Delta Beta Chapter of New Waterford to visit their club April 28.

"Public Speaking" was the program topic presented by Mrs. Robert Ward and Mrs. Franklin Humphrey with a discussion following.

Mrs. Ernest Moser assisted hostess with refreshments.

REV. ROBERT IRWIN was guest speaker when 11 members of the Hannah Gallagher Group of the First Methodist Church met recently in the church Fellowship Hall for a dessert luncheon. Mrs. Cecil Baxter, Mrs. J. L. Getz and Mrs. J. J. Stanward were hostesses.

Devotions were led by Mrs. W. W. Hole, and Mrs. L. W. Sanders presided at the business session.

During his talk Rev. Irwin told of the events leading to the crucifixion of Jesus.

Piano solos, "Rustle of Spring" and "Consolation" were played by Mrs. Wilbur Schnorrenberger. Mrs. J. E. Miller was program chairman.

The next meeting will be April 8 when the group will have a one o'clock luncheon at the church with Mrs. W. W. Hole and Mrs. S. D. Whinnery as hostesses.

"JESUS CHRIST - THE Whole Creation" was the program and devotional theme when members of the January Group of the Women's Association of the Church met Wednesday at the home of Mrs. George Smith. Mrs. Paul Graham was a guest.

Mrs. Louis W. Weirick presided at the meeting and the fellowship report was given by Mrs. Harry Snyder, who also presented the program.

Mrs. L. S. Hollinger assisted the hostess with refreshments.

The next meeting will be April 9 with Mrs. Snyder of 1096 Buckeye Ave. with Mrs. Raymond Starbuck as co-hostess.

THE FEBRUARY GROUP of the Women's Association of the Presbyterian Church met recently with Mrs. C. C. Ressler of Cleveland St. with Mrs. James Hollinger presiding.

There were 14 in attendance and plans were made for the Presbyterial meeting April 15.

Mrs. Edward Bozich was in charge of devotions.

Preceding the meeting breakfast was served by the hostess assisted by Mrs. Ernest Breit, from a table centered with a ceramic figurine surrounded by daisies.

Mrs. Paul Graham will be hostess at the next meeting April 14 in her home on Homewood Ave.

THE WILSON HOWARD Missionary Chapter of the Lisbon Church of the Nazarene met recently with Mr. and Mrs. Edward Roberts.

Group singing, under the direction of Ruth Peterson, opened the meeting followed by a prayer by Mrs. Ruth Smallwood. Mrs. Northa Backer was in charge of the devotions.

"An Easter Offering," was read by Mrs. Pearl Horner and Miss Peterson sang a solo.

"Easter on the Mission Fields," was read by Miss Esther Peterson and Mrs. Smallwood read the chapter in the study book.

A letter from a missionary to South Africa, to whom a box was sent by the group, was read by Miss Ruth McLaughlin.

Miss Peterson will be hostess at the April meeting.

Refreshments were served by Mrs. Schoeni, Mrs. Leonard Spencer, Mrs. John Waiker and Mrs. Delbert Nestrick.

The next meeting will be April 20 at 7:30 p.m. at the high school, with Mrs. Robert Johnson, Mrs. Phillip Herold, Mrs. Rolland Hartsough and Mrs. Wayne Haynes in charge of the lunch.

Miss Martha Talbott, daughter of Mr. and Mrs. William D. Talbott of 1622 Southeast Blvd., and a junior at Kent State University, is one of 50 students of the university spending the winter quarter as a student at the University of America at Mexico City.

It is reported that the "north side" was winner of the recent magazine sales contest and that the group realized a profit of \$420 on the project.

Announcement was made that insurance on instruments is due March 19 with Mrs. Russell Brogan in charge.

A fish fry is planned for April 3 at the high school, with serving from 5 to 7 p.m. and tickets are available from members.

Mrs. George Bullis and Mrs. Phillips are co-chairmen.

## Camp Fire Girls

Tayanita Council Meets  
Mrs. Myron DeJane, Richard Cobourn, Thomas Coe and Maurice Sechler will represent the Tayanita Council of Camp Fire Girls of Salem at the American Camping Association Conference Tuesday through Saturday at the Pittsburgh Hilton, as announced when the council met recently at the Memorial Building.

Insurance coverage was discussed and it was decided to begin work on the painting and lighting at Camp Merrydale in the near future.

It was announced that the Junior Hi Camp Fire and Horizon Club girls will have the opportunity to attend Camp Katiwani this summer.

Three representatives will be sent to the Region Nine Conference at Huntington, W. Va., next month.

The Camp Fire office in the Memorial Building will be closed for the week of March 21-23.

**Shiwinoni Group**  
Members of Shiwinoni Group Camp Fire Girls, who meet at Buckeye School, have been busy working on requirements for their Wood Gatherer's Rank in recent weeks.

The Seven Crafts, business, citizenship, creative arts, frontiers, home, outdoors, sports and games, have been highlighted by learning proper telephone procedures in an emergency, how to conduct an election, flag etiquette, hiking, sewing, and presenting a original playlet for members of the Kiwanis Club.

The group also made a tray for a local hospital and assisted with a display commemorating Camp Fire Birthday Week in a downtown store window.

The next project of the group will be to collect children's books to send to a culturally deprived area.

## The Granges

**Elkrun Grange**  
Elkrun Grange met at the home of Mr. and Mrs. Ralph Moore recently with nine members present. The program was on the Civil Defense theme, "Emergency Preparedness". Next meeting will be April 10 at the grange hall.

**CRIME CLINIC SET**  
COLUMBUS, Ohio (AP)—The first in a series of nine crime control clinics sponsored by the attorney general's office is scheduled in Jackson Thursday. Law enforcement officials from Ross, Hocking, Athens, Vinton, Pike, Meigs, Gallia, Lawrence, Scioto and Jackson counties are expected to attend.

**TO BUILD PIPE LINE**  
COLUMBUS, Ohio (AP)—Construction will start within two weeks on about 100 miles of pipeline to serve the booming oil industry in Morrow County, the Morrow Transmission Corp. has announced.

The firm also said Tuesday it plans to put in a gas-scrubbing station just north of Cardington. This will eliminate the practice of "flaring," the burning of natural gas at the well, officials explained.

## James Rhodes Is Awarded Life Membership by VFW

James A. Rhodes, charter member and quartermaster of Allen K. Reynolds Post 892, Veterans of Foreign Wars, was presented a life membership by the post when 100 members and guests attended the 42nd anniversary dinner of the founding of the post Saturday.

Rhodes is shown above at right accepting the life membership from Francis Himmelsbach, commander of the post. Besides serving as quartermaster for the past 25 years, Rhodes has held numerous other offices with the post.

Guest speaker was Max Gard of Lisbon, who recited a number of humorous anecdotes concerning the Irishmen who built the Beaver Canal and the activities of some of the canal boat captains. He also displayed a number of rock samples from various states and, with the use of black light, demonstrated how their bright fluorescent colors could be seen.

Marshall Sutherlin, sixth district commander, spoke on his recent trip to Washington, D.C. as guest of the Ohio department of the VFW.

Guest speaker during the afternoon session will be Dr. Samuel Sharp of Youngstown, director of Protestant Council of Church of Youngstown.

Luncheon at noon for those attending the meeting will be held at the First Christian Church. Reservations are to be made by April 9, with either Mrs. Cornell Monda or Mrs. McLaughlin.

THE MONDAY BRIDGE Club met with Mrs. Helen O'Brien of E. Lincoln Way Monday afternoon.

Mrs. Frank Steele of Vine St. will receive the club March 30. Eighteen members of the Beetham Class of the First Christian Church met at the home of Mrs. Paul Toland of Cross St. Monday evening.

Mrs. Ben Wilson presided at the business meeting, and the devotions were led by Mrs. Carl Armstrong.

Miss Esther Stackhouse of Thomas Road will be hostess for the next class meeting, April 20.

The Victory Club was entertained at the home of Mrs. Francis Gunn of W. Lincoln Way Monday evening, following a dinner party at Heck's Restaurant at Columbian.

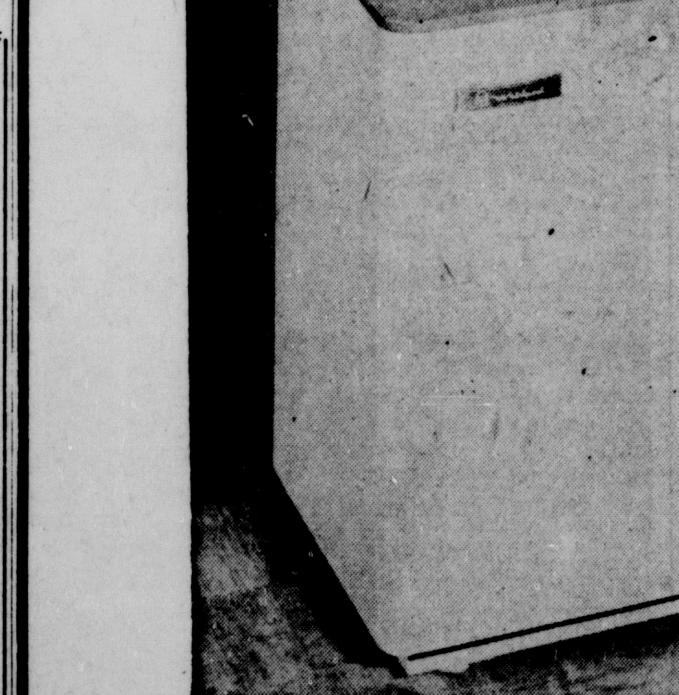

Mrs. James Babb and Mrs. Marion Figley received prizes for 500.

The club will meet March 30 at the home of Mrs. Gertrude McCord of W. Maple St.

## As Result of Crashes

U.S. War Plane Losses  
\$1.8 Billion In 3 Years

WASHINGTON (AP) — More than \$1.8 billion in U.S. military planes have been lost or badly damaged in crashes over the past three years, it was learned today.

Pilot error and "material failure" were listed as the chief causes in more than 2,000 major military aircraft accidents in 1961-1963.

## Flight

(Continued from Page One)

"I just love to fly and like to travel," the diminutive aviatrix said. She added that her husband, Russell, a Columbus advertising man, as well as her children, had given her encouragement.

While she is gone, her mother-in-law will care for her family, including son Roger, 17, Gary, 16, and daughter Valerie, 3½.

She has no fear in her mind about the trip. Although she majored in aeronautical engineering at Ohio State University, she considers herself only "an amateur mechanic."

But she says:

"I'm not going to take any chances. I feel that if an engine is in good condition it is not going to quit. You just eliminate the reasons why it would quit beforehand. Flying can be just as safe as you make it."

Mrs. Mock has logged more than 750 flying hours, and she has held a pilot's license for seven years. She has been planning the trip for a year, and for the last two months has been hard at work putting the finishing touches on her plane and getting her passport visas and other governmental regulations in order.

spring.

Spring officially arrives at 9:10 a.m. EST Friday.

Temperatures were below freezing from the Dakotas, northwestern Nebraska and northern Missouri eastward through the central and northern Appalachians.

Maine was the icebox in New England, with Millinocket reporting 6 above and Houlton 8. Cold waves also struck Western Maryland, northwestern Virginia and West Virginia.

Snow flurries occurred along the southern and eastern shores of the Great Lakes and from the upper Ohio Valley into New England. In New York State, snow slowed traffic in Binghamton, Rochester and Syracuse.

One inch of new snow in Sault Ste. Marie, Mich., gave that community 19 inches on the ground.

## U. S. Headaches In Southeast Asia

The United States currently is faced with six major headaches in Southeast Asia. They are:

1. South Viet Nam, a country beset with coups—the latest by the present Khanh administration—and a retaliatory war against Communist.

2. North Viet Nam, which is sending Viet Cong guerillas in-

shock when her parents told her of his death. She was rushed to a hospital, where breathing was restored, but she was dead within two hours.

Another sister, Penny, 9, was found dead in shallow water in which she had been wading during a family outing in 1957. The cause of her death never was determined.

Dr. James J. Devito, the family doctor, said "several other members of the family have expired suddenly, with no known cause. Five children from two sisters and three adults have been stricken under similar circumstances in two generations."

He suggested that the ailment might be a congenital heart defect.

In Richburg, N.Y., a rare heart defect caused the death of Darrell Thompson, 11, whose two brothers had died previously from the same ailment.

The body of young Thompson, of Bolivar, N.Y., was found on the lawn of a garage at his school in Richburg.

Dr. Edwin F. Comstock Jr., coroner, said the boy had an enlarged heart. So did two of his brothers, Dana, 1, and Ray, 8, who died in 1955 and 1959, respectively.

Dr. Kurt Zinner, a Wellsville, N.Y., cardiologist, said the ailment was "not due to any known cause." He described it as "familial"—peculiar to some members of certain families.

## Plumbers Torch Blamed for Fire

## Goshen Ruritans Elect Stallsmith

Murl Stallsmith was elected director for three years when Goshen Center Ruritan Club held its regular dinner meeting Monday at Bunker Hill Methodist Church. He will fill the vacancy left by the resignation of Edward Miller.

Twenty-seven members and three guests were present at the meeting. Guests were Earl Mang, John Malmberg and Donald Capel. James Barnes was welcomed as a new member.

Gordon Santee, treasurer, reported that the recent fish fry was a success. Jess Martig, president, announced that the annual spring district meeting will be April 25 at the Canfield Presbyterian Church.

The club's basketball team will play the Greenford Ruritan team at 7:30 p.m. March 19 at the Berlin Ellsworth School.

Next board of directors meeting will be April 1 at the home of Charles Williams. Next club meeting will be April 20 at the Bunker Hill church.

## Nehru

Nehru said: "I know it is a regular campaign."

Defense Minister Y.B. Chavan told Parliament 25 Pakistanis raided an Indian village 1½ miles on India's side of the cease-fire line Sunday night, killing four persons, including an 11-year-old boy.

Chavan said India had lodged a complaint with U.N. observers in Kashmir.

The Indian government has learned that Communist China and Pakistan have agreed to coordinate foreign and military policies affecting India, a high government official told The Associated Press earlier today.

The official, who declined to be quoted by name, said in an interview that India is revamping its policy on the assumption that in the future it will face two hostile neighbors working together rather than separately.

This indicated that the Indian government is discounting the possibility of making a separate diplomatic deal with either Pakistan or Communist China to relieve the pressure on at least part of its northern border.

Premier Chou En-lai of Red China visited Pakistan last month and won a pledge of close cooperation from President Mohammad Ayub Khan, but there was no public mention of any military or diplomatic collaboration.

Reports of skirmishes on the India - Pakistan border are reaching New Delhi in increasing numbers.

The Indian official said his government considers these skirmishes potentially dangerous but does not think an escalation into a greater conflict is said, there is no indication the threatened.

On the Chinese frontier, he said, there is no indication the Communists will try anything big in the near future. Red troops, however, are consolidating positions they won in the 1962 border war.

India regards the China-Pakistan collaboration as so close that it believes the Communists are virtually certain to push a road from Chinese territory deep into Pakistan, perhaps to the capital of Rawalpindi, the official said. Such a road has been rumored in Pakistan.

"The Chinese are now 'in' in Pakistan, and the two will be moving together from now on," he said.

## Man Escapes Serious Injury In Spectacular Accident

A 37-year-old Summit County trucker miraculously escaped major injury when his van suffered a "broken neck" on Route 224 near Starr's Corners outside Canfield this morning at 12:40.

Woodrow Wilson of Akron received only minor head cuts and was treated at Youngstown South Side Hospital and released. Observers were amazed that the driver was not killed or seriously hurt considering the type of accident.

Driving his truck eastward, Wilson lost control of his hill, about two miles east of Canfield. Loaded with bags of plastic

material, the van careened down the slope, smashed through the guard rail on the southside of the highway, and lobbed cab first over an embankment into a treed ravine. The cab was bent forward almost tucked under the rest of the vehicle as it lunged into the earth.

The heavy cargo of sacked plastic material barged through the front of the trailer, spilling the bags into the woods.

The Canfield post of the State Highway Patrol said that the hill had patches of ice near the top after temperatures plunged sharply following precipitation Tuesday night.

The truck, owned by the Berrodin Transfer Co. Inc. of Akron, was being extricated today from the glade. Damages to the vehicle and to the cargo were heavy, according to Cpl. Harold Heinz.

The mishap is still under investigation.

Two minor accidents were checked by the Lisbon post of the State Highway Patrol Tuesday. One woman was slightly injured.

Mrs. Naomi Gunderson, 39, of RD 3, Salineville, was treated by a physician for a bloody nose after a one-car mishap at 10:10 p.m. on Route 39, eight miles northwest of Wellsville.

The Patrol said she lost control on a curve due to icy conditions, veered off the left side and struck an embankment.

Two motorists collided Tuesday at 9:50 a.m. on Route 164, three miles north of Lisbon but neither was hurt. Bill E. Thomas, 31, of Akron was driving north in his Cadillac convertible when he went slightly left of center as he rounded a curve, sideswiping a southbound sedan operated by James E. Brashear, 47, of Toronto. No arrest was made.

New bids are to be opened April 4.

In other business, the Board of Public Affairs requested Council's permission to extend city water lines east on County Line Rd. at a cost of \$5,400 or \$490 per resident, with 11 property owners in the area agreeing to finance the project.

Three options for possible payment were outlined with the most favorable appearing to be outright payments or the village installing the line with the residents being billed separately on their quarterly water bill.

Five residents of the area stated they did not wish to participate in the project.

Authorization was given the Board of Public Affairs to advertise for a pick-up truck for use in the water department.

Village officials, including Kuhlman, Mayor Lee Harrold and Barrow, representing the board of public affairs, will be present at a hearing Thursday at the courthouse in Lisbon concerning the transfer of \$100,000 from the light fund to the sewer fund.

Edwin Altomare, operator of the newly opened Kimberly Recreation Center on S. Main St. featuring indoor golf and pocket billiards, was present at the meeting to explain the operations of the center and explain that present state statutes forbid persons under 18 years of age to enter, even though accompanied by a parent. Council will consider a possible solution to the matter at a later date.

A resolution read by Kuhlman concerning village funds was passed designating that inactive funds be deposited with the Union Bank for the period from March 1, 1964, to March 1, 1966, with active funds being deposited at the Citizens Bank during the same period.

## With Patients

Roy Shoff, 58, of RD 3, Canfield, was treated at 1:25 p.m. Tuesday at Alliance City Hospital for a laceration of the scalp received when a piece of coal fell on him while at work at the Sunnyside Coal Co. near Belmont.

Freida Case of RD 2, Beloit, was treated at the Alliance Hospital at 6:25 p.m. Tuesday for an injury to her right hand.

## Morgan Engineering, Alliance, Being Sold

ALLIANCE—Holders of common stock of Morgan Engineering Co., have been offered \$18 a share by United Industrial Syndicate, Inc., of New York City. Holders of prior preferred shares have been offered \$45.

William H. Morgan Jr., president, who announces the offer, and other principal stockholders already have deposited about 100,000 shares with the depository, National City Bank of Cleveland.

Morgan plans to retire.

## SCHOOL HEAD TO QUIT

## Board Plans Course for Bus Drivers

The Columbiana County Board of Education at its meeting Tuesday night in Lisbon discussed plans for a driver's training course for county school bus drivers.

The four schools in the system — Beaver, Fairfield-Waterford, Southern and United Local — each sent a driver to take the state school bus drivers training course March 7 at Salem. Those drivers are now qualified to teach similar courses.

Eligible to teach are Alfred Ward, Beaver; Alfred Cope, Fairfield-Waterford; Lewis Higgenbotham, Southern, and Peter Mara, United. The board is expected to make the course mandatory for all drivers, with refresher courses to follow every two to three years.

James A. Provost, consultant in school bus drivers training at Ohio State University, was the instructor for the master course.

The county board agreed to again sponsor a board of education spring meeting to be held in Salem. Atty. Donald Elliott of Rogers, county board member, will head the committee to set up the annual meeting.

Supt. James L. McBride reported on the purchase of new school buses.

He also reported on the chief school administrators meeting last Friday at the Wick Hotel in Lisbon when Juvenile Judge Louis Tobin spoke on school "drop-outs."

Bills of \$167.68 were ordered paid. The board's next meeting will be April 20 at 8:30 p.m. Olan Sanor of East Rochester RD 1, president, presided at last night's meeting.

## Court Refuses To Review Cases Of Mahoning Men

COLUMBUS, Ohio (AP) — Two Youngstown men convicted of promoting a numbers gambling game called "bug" lost appeals to the Ohio Supreme Court today.

The court refused to review their cases.

They are Anthony Gianfrancesco and Ted Pappas.

Police arrested Gianfrancesco Aug. 17, 1962, after finding numbers slips in his car.

Pappas was taken into custody June 19, 1962, after police man John Lynch said he purchased a numbers slip from Pappas for 10 cents.

Gianfrancesco also has an appeal pending in the high court from his conviction on a similar charge in Trumbull court.

Let stand refusal of lower courts in Lake County to dismiss an action by the highway department for an easement over properties of Gladys Basquin and others in Painesville for Ohio 2 improvements on grounds that boundary descriptions were inaccurate.

### Optimism on Rail Crisis Expressed

WASHINGTON (AP)—A railroad spokesman who warned that the nation was possibly on the verge of a vast rail strike says the railroads now "are optimistic that a crisis can be avoided."

J.E. Wolfe, the spokesman and chief negotiator for some 200 carriers, set off the alarm bells Monday. He declared he had "unimpeachable advice" that the five operating brotherhoods planned to bypass national negotiations and strike the Southern Pacific and Louisville and Nashville lines Wednesday.

This, he added, would lead to a nationwide strike.

But after officers for two of the unions denied any strike plans, Wolfe issued a statement Monday night saying "in view of the apparent reversal of their strike plans, the railroads now are optimistic that a crisis can be avoided."

Wolfe noted rail management representatives were summoned to a meeting today by Secretary of Labor W. Willard Wirtz who had declared he saw "no reason or justification for a national crisis on the railroads."

Wirtz asked the industry representatives to meet with Asst. Secretary of Labor James J. Reynolds and Francis A. O'Neill Jr., chairman of the National Mediation Board. The unions were not asked to take part.

At a news conference Mon-

day morning, Wolfe had announced he had been told the unions plan to strike the Southern Pacific and the L&N in an attempt to detour and stall national negotiations and split the railroads' united front.

He warned that if any railroad was struck, all major railroads in the United States would immediately post proposed work rules changes that have been under negotiation.

The unions have said they would respond to any attempt to impose the work rules by striking.

### Beloit

Men in Missions met at Quaker Hill Friends Church. Rev. William Waltz was in charge of message from Rev. Kenneth Goff of Englewood, Colo. by tape recording.

Rev. Goff, once a member of the Communist party, spoke on the efforts made by the Communists in the realm of education and religion in our country.

James Nutt and Robert Jones served refreshments.

Pack 82 Cub Scout Committee met at the home of Henry McNatt. Mrs. John Vlaiku and Mrs. Thomas Wilson were present to give ideas on the Mardi Gras theme. Regular pack meeting will be March 24 at Beloit School.

CHARLES McNATT has left for Dayton where he has accepted a position with National Cash Register Co. His wife will remain here temporarily.

Fifteen members of the Smith Township Home Extension Club met at the Westville Congregational Church for an all day meeting using the topic, "Gra-

cious Hostessing", presented by Mrs. George Munsell and Mrs. Laurence Shaver. Mrs. Fern Townsend led the devotional period and read a poem, "Slow Me Down".

They also approved setting bids on a Dodge truck for the county home. Bid applications can be secured at the commissioners office.

### Commissioners Buy Radio Equipment

Columbiana County commissioners Monday purchased a radio transmitter and receiver from the Motorola Inc., Fairlawn, N.J. on its bid of \$1,416.

This was the only bid.

The equipment will be installed at the county jail and used to coordinate efforts of district fire departments who will call the jail on all fire calls and will ask for help when needed, and jail will dispatch other departments.

In other business commissioners awarded a \$300 slag grant to Madison Township and

Age Limit Changed in 4-H  
Nine-year old Mahoning County youth who are in the fourth grade in school may be regular 4-H members in 1964, according to Robert H. Groves, County 4-H agent. Previously, members had to be 10 years old as of Jan. 1 or serve as associate members.

The change in age limit was recommended by the 4-H Advisory Council. The ruling now reads "4-H members must be ten years of age as of Jan. 1, or be in the fourth grade in school". Groves estimates that about 100 additional youth will be regular members this year as a result of the change.

## Receive State Award

Three Mahoning County 4-H junior leaders received the Buckeye Leader Award at ceremonies in Columbus Saturday.

They were Lynn Baker, RD 1, Salem, son of Mr. and Mrs. Lowell Baker; Richard Gray, RD 2, Hubbard, son of Mr. and Mrs.

Clarence Gray; and Kathy Kile, RD 1, North Benton, daughter of Mr. and Mrs. David Kile.

The three recipients were selected by balloting of 60 fellow club members in the County Junior Leadership Club. They were selected on the basis of their participation in county and local 4-H activities, contributions to the community through school and youth work, their leadership abilities in the county 4-H Program, and personal traits.

Miss Kile is a senior at West Branch High School and will attend Ohio State University next fall. Gray is now a junior in agricultural education at Ohio State. Baker is attending Canton Business School and working at home on the family dairy farm.

Dairy Committee to Reorganize  
Election of 1964 officers is a major item on the March 24 schedule of the Mahoning County Extension Dairy Committee.

The meeting will start at 8 p.m. in the County Extension Office at Canfield. Included in the schedule will be planning the Dairy Princess Contest, review of cattle tuberculosis testing plans and consideration of mastitis problems.

## Cattle Prices May Gain

Fed cattle prices, at the lowest point in seven years, are due to pick up some during the spring and summer.

The April-June cattle market likely will average higher than during the same period last year, and this increase should carry through the summer months, according to J. William Uhrig, Iowa State University economist.

The upturn has been predicted for the last two or three months, but unexpected large runs of heavy cattle have delayed the improvement longer than expected.

Most observers fear, however, that the expected relief will be short-lived.

In the long run, cattlemen may have to settle for somewhat lower prices during the next five years than during the last five, Uhrig says.

He feels, however, that continued economic growth, marketing at lighter weights, and killing more cows and calves might permit us to eat our way out of the trouble.

## Word About Soybean Seed

An official of the state's crop certifying agency has cautioned farmers to use extreme care in purchasing soybean seed this spring.

Roy Becker, secretary-manager of the Ohio Seed Improvement Association, warned that all soybean seed will germinate lower than usual this year — even Certified Seed.

He attributed this to: (1) exceptionally low moisture content of the beans due to the drought conditions last fall; and (2) cold weather during processing time. "Samples of seed set for certification are running substantially lower in germination than the 1962-1963 average", Becker said. "Certified soybeans normally germinate in the upper nineties. This year they are averaging 5 to 10 per cent lower."

Biblical manna is believed to be the lichen Lecanora, a relative of reindeer moss. During droughts it curls into lightweight balls easily carried great distances by the wind.

**FERTILIZE, PRUNE DEAD WOOD to Give Trees a Boost.**

## Watch Trees for Die-Back

By ALLAN SWENSON  
Newspaper Enterprise Assn.

You may have noticed this year that tree tops are dying back, a limb here, a branch there, scattered deadwood through the crown.

This is chiefly caused by an accumulation of drought injury over a period of years. It is made worse by secondary attack by borers and bark beetles.

## IN SOME VARIETIES the decline is marked — in oak, maple, ash and hickory.

Here's what usually happens: When a root dies, a little of the crown dies, too. Then a little more. Soon, bark beetles and borers arrive. Scale and gall-forming insects multiply. Trees are in trouble.

# Gabe Paul Says Tribe To Keep Romano, Azcue

## Catchers Not Trade Bait

### Indians, Giants Meet In Exhibition Game

PHOENIX, Ariz. (AP)—Cleveland Indians' General Manager Gabe Paul has scouted reports that veteran catcher John Romano may be traded to the Boston Red Sox.

Paul denied Tuesday that he and Tribe Manager Birdie Tebbets are thinking about trading either Romano or Joe Azcue, his rival for Cleveland's No. 1 catching job.

"Birdie's even more positive that I that we want both Romano and Azcue," said Paul. "And I'm positive that we need them."

"Because we've got two good ones, Everybody in the league thinks we're about to give one of them away. Every time I discuss a deal with anyone in the league, Romano's name is one of the first to come up."

Paul discussed his catchers after a Boston newspaper published a report that a deal involving Romano is brewing between the Red Sox and the Indians.

Romano, sidelined a good part of last season with a broken hand, batted .216 in 89 games—45 points below his 1962 average. Azcue turned into quite a slugger when he took over the job and hit .284 in 94 games.

Paul said he thought if Romano lost about 10 pounds, he could have another good year.

But the 5-foot-11, 204-pound Romano isn't sure that some extra pounds caused him to have a bad season in 1963.

"It was just one of those things," said Romano. "I couldn't get untracked. And when my hand got better, Azcue was going so good that Birdie had to keep him in there."

"That, of course, didn't help me. But I couldn't blame anybody for using Joe. He really did a good job."

The Indians, who have won only three of 11 exhibitions, play San Francisco today following a one-day rest. Two veterans—southpaw Jack Kralick and relief ace Gary Bell—were to pitch for the Tribe.

**Ascot Gold Cup Purse Increased To \$12,500 Pot**

The conditions and the distance, a rigorous two miles, will remain the same for this year's Ascot Gold Cup, but the purse division has been changed from that prevailing during the previous 23 runnings.

The Gold Cup, the richest feature of the coming 44 day meeting at the suburban Akron track, will be staged on Saturday, May 9, for a purse of \$12,500 added.

Ascot's General Manager John O'Keefe expects that the nomination, entry, and starting fees will raise the gross to at least \$15,000.

He has decided to split the purse six ways, with the second horse to earn \$2,750; third, \$1,500; fourth, \$650; fifth, \$400; and sixth, \$200. The winner will be guaranteed \$9,000.

Ascot Park opens the Ohio running race season on Wednesday, April 1. About 850 runners from racing centers all over the U. S. and Canada will be on hand for the seven week session.

Pinson homered for the Reds. Bob Buhl, Cal Koonce and rookie Sterling Slaughter limited the Los Angeles Angels to three hits for a 2-0 Chicago Cubs victory. Lou Brock tagged loser Ken McBride for a solo homer.

The Minnesota Twins feasted on New York Yankee frontline pitching for a 7-2 victory. New York's third setback in four starts. Vic Power had four singles and Jimmie all a solo home run for the Twins as Al Downing, Ralph Terry and Whitley Ford hurried for the Yanks. Felipe Alou slammed a homer and a two-run triple as the Milwaukee Braves unleashed a 13-hit attack for an 8-1 victory over the Kansas City A's.

Rookie Rico Carty also homered for the Braves, who had managed just three runs in two shutout victories before facing the depleted Athletic staff.

The San Francisco Giants bashed four singles for three runs in the sixth inning and the held on for a 4-3 victory over the Boston Red Sox. Willie McCovey's three hits led the Giants' attack.

Norm Cash and Willie Horton slugged home runs as the Detroit Tigers dumped Philadelphia's Phillies 8-2. Cash drove in five runs as Detroit evened its Citrus record at 2-2.

Skinny Brown, Larry Yellin and Larry Bohannon allowed just three Baltimore hits as the Houston Colts nipped the Orioles 3-2 in 11 innings. Bohannon's one-out single delivered the winning run for the Colts.

Ted Savage smashed a two-run homer and the Pittsburgh Pirates came up with a run in the bottom of the 10th inning to edge Washington 5-4.

## Black Hawks Keep 2-Point NHL Lead, Blank Rangers

By TH EASSOCIATED PRESS

The Chicago Black Hawks, holding a precarious two-point lead in the National Hockey League as the result of a 4-0 victory over New York Tuesday night, now must play a waiting game.

The Hawks broke out of a tie with idle Montreal and boosted their point total to 82 against 80

## Barons Idle Until Friday

Tightly locked in a three-way struggle for the championship of the American Hockey League's Western Division, the Cleveland Barons remain idle until the weekend, when they face their two closest competitors on consecutive nights.

Following a Friday night clash in Pittsburgh with the Hornets, the Barons return to the Arena for an 8 p.m. Saturday appointment with the Rochester Americans. Pittsburgh leads Cleveland by a single point, while Rochester trails the Barons by a mere two points.

Cleveland has six games remaining, as does Rochester. Both teams have one game on hand in Pittsburgh which has only five games to play. The Hornets, however, play four of their remaining five games on their home ice. Cleveland has three at home and three away, while four of Rochester's remaining six games must be played on the road.

Sunday's 4-2 victory over Springfield was not achieved without cost. Left winger Wayne Larkin suffered a severe shoulder separation which will require immediate surgery and sideline him for the season.

Larkin's place in the lineup probably will be taken by Ray Brunel, who will work with center Joe Szura and right winger Ray Kinasewich.

With defenseman Tommy Williams still recovering from a knee operation, the Barons are operating with the bare minimum of 14 players—one goalie, four defensemen and nine forwards. Additional players are a absolute "must" before Calder Cup playoff time begins. Such player help, from the amateur ranks or from leagues of lower classification, is expected to materialize by the end of the week.

Coch Fred Glover is hopeful of working out the kinks in the Barons' attack, which has functioned below par for the past few weeks. In nine games, the Barons have scored only 16 goals, with 12 of those goals coming in three games and the remaining four being spread over six games.

## Top Ranked UCLA (28-0) Faces Unheralded Kansas State Friday

By BOB GREEN

Associated Press Sports Writer

KANSAS CITY (AP) — UCLA won't be bothered by the pressure of an unbeaten season in the final rounds of the NCAA basketball championship.

"We feel we're starting new season," Bruin Coach John Wooden said.

"Our kids were pressing to complete the regular season undefeated. They made it. And that took the pressure off. Now we feel we're starting all over again."

The Hawks had little trouble against New York with goalie Glenn Hall posting his seventh win of the season.

Bobby Hull, the Golden Jet, gave Hall the support he needed with two goals in the first period giving him a league-leading total of 43.

Stan Mikita, the league's leading pointmaker, came up with an unassisted goal—his 39th—in the second period. Mikita boosted his point total of 89 to lead Hull by three.

Red Hay pushed his 22nd goal past Jacques Plante in the final period to round out the scoring before a crowd of 15,214.

**Jim Shofer Tells Browns He's Retiring**

CLEVELAND (AP) — Defensive back Jim Shofer is retiring from professional football after three seasons with the Cleveland Browns.

Citing "a business opportunity" as the reason, the former Texas Christian star has informed Browns' officials by letter that he will not be back next season. President Arthur B. Modell said Tuesday night. Shofer is in the insurance business in Fort Worth, Tex.

Ray Refiro, a flanker halfback who was with the Browns 12 seasons, announced before the 1963 campaign was over that he was retiring at the end of the season. He played college football at North Texas State.

Line backers Galen Fiss and Vince Costello also have talked about retiring but are expected to be on hand when the Browns begin training in July. Fiss has been with the National Football League club eight seasons and Costello is a seven-year veteran.

Ben Schwartzwaer has been on the job longer than any other Syracuse University football coach. He'll start his 16th season next fall.

Rupert Given Wynn Hawkins Award

## Crestview Honors Athletes At Annual All Sports Dinner

Darryl Rupert, light but powerful lineman for the Crestview Rebels last fall, Tuesday night was given the annual Wynn Hawkins award as the most outstanding athlete of the year.

The presentation shared honors at the yearly banquet with guest speaker Doug Raymond, Kent State University track coach, who spoke on dedication and training in sports and pointed out that there is at least one sport in which everyone can excel.

Raymond criticized the use of top athletes to promote cigarettes or other products injurious to the health and sports performance of a man or woman.

"In all my years of coaching," Raymond declared, "I've never had a top man who either smok-

ed or drank alcoholic drinks."

He said a young athlete may get away with dissipating for a while, but his bad habits will catch up with him.

"A smoking or drinking star will go down

hill faster and will not be able

to maintain his one-time peak."

The KSU and Olympic mentor said.

Rupert, a 170-pound guard, given the Hawkins award by executive head Joseph Driscoll, last fall was selected to the first team of the Columbian All-

Star grid aggregation and made

the first ranks of the Inter-

County League team.

The son of Mrs. Elizabeth Ru-

pert of New Waterford, Darryl

has been sought after by sever-

al small colleges. He is also a

participant in track.

Clarico To Discuss Topic Tonight

## Athletic Board OK's Intramural Football

Don Clarico, Salem football coach, has been given a tentative go ahead to continue plans for his proposed intramural seventh and eighth grade contact football program.

At a special Athletic Board meeting Monday, Clarico was assured his program would be considered at the next Salem School Board session. Persons close to the situation believe it will be approved.

The Quakers' grid mentor

will discuss his plans for intramural football at the Boosters Club meeting in room 140 at Senior High School tonight.

Parents of boys in Salem Junior High (7th and 8th grade) are urged to attend.

Coach Karl Zellers will also address the group, outlining the 1964 track season.

Clarico pointed out that several area cities smaller than Salem have had similar grid setups for sometime.

OUT OF DOORS with

## Field & Stream

The second Fridays in September, October and November would be the opening days for six hunting seasons in Ohio if suggestions of the Division of Wildlife are eventually approved by the Wildlife Council.

These suggested regulations are to be put before the county fish and game hearings next month and at the state hearing June 25, to be considered by the farmers and sportsmen for their approval or disapproval.

Harry Swearingen, supervisor of game management, said that it would be desirable to open all three upland game species for hunting on the same date for two main reasons: (1) to reduce the opening day hunting pressure on any one species, and (2) to reduce the problems experienced by landowners during two or three separate opening days.

"A Friday opening will provide practically all hunters with a chance to hunt during at least one prime day," he continued. "Choice of a Saturday closing day assures that most people who wish to hunt on the last day would be able to do so."

Following are the species, length of seasons, recommended open and closing dates and daily bag limits suggested by the division for approval or disapproval by the farmers and sportsmen (Possession limit after first day not to exceed two days legal limit, except for deer):

Bobwhite quail — state-owned or controlled land (no acreage limit), Nov. 13-Dec. 19, limit 6; public hunting areas, Nov. 13-Jan. 30, limit 6. Ring-necked pheasant cocks and Hungarian partridge — private land, Nov. 13-Dec. 19, limit 2; state-owned land, Nov. 13-Jan. 30, limit 2. Cottontail rabbit — statewide, Nov. 13-Jan. 30, limit 4. Hunting hours for preceding species 9 a.m. to 5 p.m. Nov. 13-14; 8 a.m. to 5 p.m. thereafter.

White-tailed deer — longbow, Oct. 9-Dec. 26, limit one a sea-

son; shotgun, two days, Dec. 3-4, limit one a season. Hunting hours, 9 a.m. to 5 p.m., Dec. 3-4; otherwise daylight to dark.

All hunting except for deer and waterfowl would be prohibited during the period 12:01 a.m. Dec. 3, to 5:01 p.m., Dec. 4 (deer gun season).

Ruffed grouse — statewide, Oct. 9-Feb. 27, limit 3. Squirrel — private land, Sept. 11, Nov. 14, limit 4; state-owned land, Sept. 11-Dec. 26, limit 4. Hunting hours for these two species daylight to dark.

Raccoon, opossum, mink and muskrat — hunting and trapping, Nov. 13-Feb. 20, no limit except 4 raccoons per hunter day, no possession limit. Hours are 12:01 to 6 a.m. Nov. 13; 6 p.m. to 6 a.m. thereafter.

Beaver trapping would be allowed Feb. 15-28, 1965, only on private lands and only in Ashland, Carroll, Columbian, Jefferson, Jackson, Mahoning, Portage, Trumbull and Williams Counties. The bag limit is two per season with the same regulations as prevailed in 1964.

There would be no closed season for woodchuck, skunk and weasel except Dec. 3-4, deer gun season, and no open season on Reeves' pheasant, snowshoe hare and wild turkey.

EIGHT STRAIGHT BIRDS

LOUISVILLE, Ky. (AP) — Terry Shinkle, a University of Louisville freshman, shot a par on the ninth hole of a recent golf round and it was his worst hole. He had fired eight straight birdies and had a 28.

A GOOD PLACE TO WIN

LEXINGTON, Ky. (AP) — The 700th basketball victory for Kentucky Coach Adolph Rupp came at Woodruff Hall at the University of Georgia. This was the same floor where the Wildcats lost their first game under Rupp 33 years earlier.

GRANVILLE, OHIO — Meet Director Bob Shannon has assembled another outstanding field of some of the top collegiate indoor track talent from the midwest for the 11th Annual Walter J. Livingston Relays, from which the list of past champions includes such famous track names as Hayes Jones and Ira Murchison. The field will be the biggest ever, numbering over 500 athletes including several young men who hope to represent the USA in the coming Summer Olympics.

Last year's meet provided one of the highlights of the national indoor season when Central State's Cliff Mayfield broad jumped 25 feet, 10 inches, setting the all-time world indoor mark for a collegian. Mayfield, who went on to win the NCAA broad jump title, will be back this year.

Shannon's probable entry list includes 40 teams from eight states representing 13 different athletic conferences. Included are:

Ohio — Akron, Ashland, Baldwin-Wallace, Bluffton, Bowling Green State, Capital, Case Tech, Central State, Cincinnati, Denison, Findlay, Heidelberg, Kent State, Kenyon, Miami, Mt. Union, Muskingum, Oberlin, Ohio U., Ohio State, Otterbein, Toledo, Western Reserve, Wittenberg, Wooster.

Michigan — U. of Michigan, Eastern Michigan, Ferris State, Central Michigan, Wayne State, Western Michigan, New York — U. of Buffalo, Buffalo State, West Virginia — Marshall, West Virginia State, Kentucky — U. of Kentucky, Kentucky State, Pennsylvania — Slippery Rock State, Illinois — Southern Illinois, Indiana — Butler.

SPEAKING OF POWER — Minnesota Twins first baseman Vic Power, right, manages to keep a straight face as he walks out of the batting cage after knocking ball out of the park during hitting practice at Orlando, Fla. Ribbing Power is Harmon Killebrew, left, a 45-homerun hitter last season, and Jimmie Hall, who accounted for 33 during last season. Power had ten.

### Cadets Take On Bradley Thursday

## Army, Sentimental NIT

## Favorite, Nips Duquesne

NEW YORK (AP) — Move back, you NYU Violets, Happy Hairston and Barry Kramer. The Army Cadets, with Mike Silliman, Joe Kosciusko and Bob Siegle, have become the sentimental basketball favorites in the National Invitation Tournament.

Given even a slimmer chance than NYU in pre-tourney forecasts, the Black Knights of the Hudson surprised St. Bonaventure 64-62 in the first round last Saturday and Tuesday night came through with another tremendous upset. They humbled third-seeded Duquesne from Pittsburgh 67-65 in an overtime quarter-final struggle.

Now they are in the feature second game spot of Thursday night's semifinals against second-seeded Bradley from Peoria, Ill.

NYU, considered a "bust" during the regular season, but which ousted Syracuse in the first round and knocked off top-seeded DePaul on Saturday, Action will conclude in the team event this weekend. Squads, wishing to participate in the tourney, may enter any time this week at Kyser Lanes.

Dunbars of Columbian rolled a 3,033 series to lead the Salem Bowling Association five-man handicap tournament at Kyser Lanes in Columbian following the initial weekend of action.

Bob Rockwell of Leetonia rolled the high individual actual 623, and handicap 695 series. Paul Wolf of Lisbon knocked down 254 pins for the high single game.

John Davis of Washington carded a 668 series. He was followed by Gary Sloan of Columbian, 666; Don White of Salem, 664; and Bob Faulkner of Salem, 661.

Eddie James of Lisbon posted a 236 game, and Rockwell carded 234.

The Doubles and singles tourney, to be held by the Salem Bowling Association, is slated at Kyser Lanes March 28, and April 4. Deadline for entries is March 29.

WRIGHT FOR ROTE

NEW YORK (AP) — Harry Wright, former coach of the U.S. Merchant Marine Academy football team, has replaced backfield coach Kyle Rote with the New York Giants. Rote, who will assist the Giants in public relations, is a radio station sports director and announcer.

BACK IN FOOTBALL — Paul Hornung, left, of the Green Bay Packers, and Alex Karras, right, of the Detroit Lions, who were suspended last year for gambling, have been reinstated by the National Football League.

## Hawks Eye 1st-Place Tie In Hot NBA Race

By THE ASSOCIATED PRESS

The St. Louis Hawks will get one more shot at a piece of the National Basketball Association's Western Division crown.

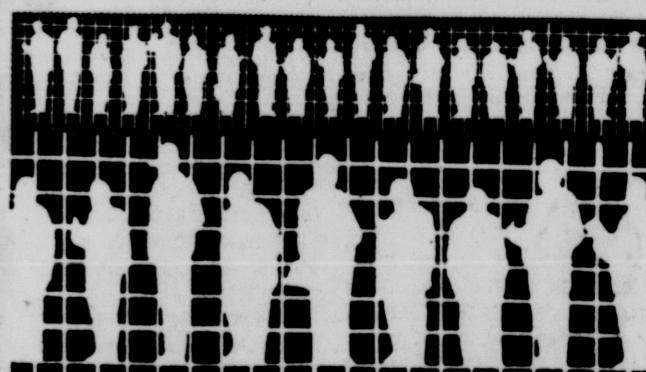

The Hawks trimmed Detroit 115-99 Tuesday night, cutting San Francisco's Western lead to a game and retaining a mathematical chance to tie the Warriors for the title.

If St. Louis beats Detroit in its season wind-up tonight and Philadelphia upends San Francisco, the Hawks and Warriors will play off for the No. 1 spot.

The war is over for New York's weary Knickerbokers, who closed out another nightmarish season by losing to Boston 127-121. Los Angeles finished its regular season business on a happier note, trimming Philadelphia 121-97 on the West Coast.

St. Louis Coach Harry Gallatin rested his regulars after they'd gunned to a 25-point third quarter lead over Detroit, then had to rush in the starters when the Pistons closed the gap to six late in the game. A couple of hook shots by Cliff Hagan, top St. Louis scorer with 24 points, put an end to the Pistons' bid.

The Celtics, trailing 78-74 midway through the third period, cut loose with 11 straight points taken by Abner Oakes. Edward J. Jeremiah, coach of the United States Olympic hockey team, will return as Dartmouth coach next fall. His place for this season was taken by Abner Oakes.

## Try Onion-Asparagus Casserole

This delicious cheese-base casserole will make you glad to prepare a meatless Lenten meal! Combining onion, asparagus, cheese sauce, milk, eggs, tomatoes and flavorings in one tempting dish, Onion-Asparagus

Casserole is nutritious and just downright good to eat. You will also find many post-Lenten occasions on which to serve it as

a single-dish dinner or as a main dish supplemented with other favorites.

## Onion-Asparagus Casserole

Two packages frozen cut asparagus, 2 packages cheese sauce mix, 1 1/4 cups milk, 1 teaspoon flavor salt, 1/4 teaspoon black pepper, 1 can (3 1/2 oz.) of French fried onions, 4 hard-cooked eggs, sliced, 1 large tomato, sliced.

Cook asparagus in a small amount of boiling, salted water, then drain thoroughly. Add milk to cheese sauce mix and bring to a boil, stirring constantly. Stir in asparagus, flavor salt, black pepper and one-half can of onions. Pour into 2-quart casserole. Arrange egg slices, then tomato slices over the top. Bake at 350 degrees for 20 minutes. Top with remaining onions and bake 5 minutes longer. Serves six.

## YUMMY LOAF

A meat loaf in the oven is good news to a hungry family. Particularly when three meats are combined as in this juicy recipe—ground beef, pork and veal.

Red tomato juice, oregano for spicy flavor and rolled oats are the other interesting ingredients.

## MEAT LOAF (8 servings)

One-half pound ground beef, 1/2 pound ground pork, 1/2 pound ground veal, 1/4 cup rolled oats (quick or old fashioned, uncooked), 1/2 teaspoons salt, 1/4 teaspoon pepper, 1/4 teaspoon oregano, 1/4 cup chopped onion, 1 egg, beaten, 1 cup tomato juice.

Heat oven to moderate (350 degrees). Combine all ingredients thoroughly. Pack firmly into an 8 1/2 x 4 1/2 x 2 1/2-inch loaf pan.

Bake in preheated moderate oven (350 degrees) about 1 1/2 hours. Let stand 5 minutes before slicing.

## ORANGE BREAD PUDDING

1 tablespoon cornstarch, 2-3 cup sugar, 1/2 teaspoon salt, 2 large egg yolks, 1 1/2 cups milk, 2 tablespoons butter or margarine, 1 teaspoon grated orange rind, 1 teaspoon vanilla, 1 cup diced membrane-free orange sections, 1 1/2 cups bread cubes, Meringue.

In a saucepan, stir together the cornstarch, sugar and salt; blend in egg yolks and 1/4 cup of the milk; mix in remaining milk.

Stir and cook over very low heat until mixture is slightly thickened and coats a metal spoon—about 10 minutes. Stir in butter, orange rind and vanilla.

Arrange oranges and bread cubes in a round 1-quart casserole (about 7 by 2 1/2 inches). Pour sauce over oranges and bread cubes. Place casserole in a pan of hot water. Bake in a slow (325 degrees) oven 1 1/2 hours or until firm in center.

Cover with meringue. Return pudding in water bath to a slow (300 degrees) oven. Bake 20 minutes or until meringue is lightly browned. Serve warm. Makes 6 servings.

Meringue—Beat 2 large egg whites until they hold soft peaks. Gradually beat in 4 tablespoons sugar and 1/4 teaspoon vanilla.

## PRALINE SQUARES

1 cup butter or margarine, 1 cup firmly packed light brown sugar, 1 tsp. vanilla, 1 lg. egg, 1/4 cup finely chopped pecans.

Beat together butter, sugar, vanilla and egg yolk until combined and fluffy. Stir in flour until combined. With a spatula spread over lightly greased jelly roll pan (about 15 by 10 by 1 inches).

Beat egg white until frothy; mix in pecans. Spread over mixture.

Bake in a moderate (350 degrees) oven until golden brown—20 to 25 minutes. Cool slightly.

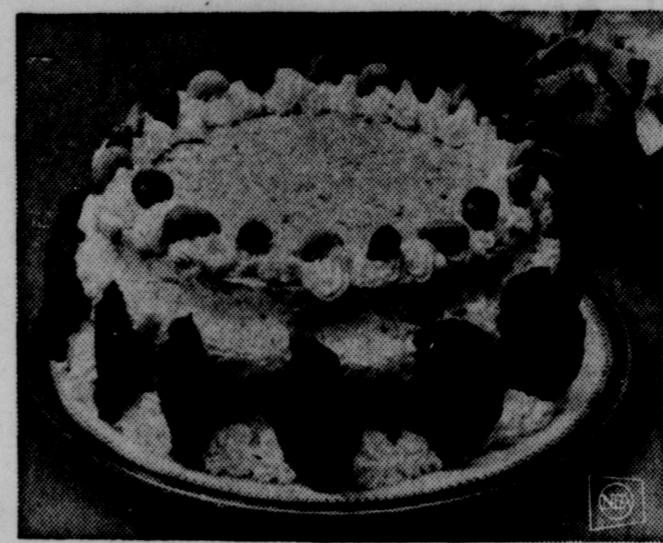

Remove with a spatula to wire racks to cool. Store in tightly covered container.

## Try This Easter Cake

By GAYNOR MADDOX

Newspaper Enterprise Assn.

This handsome orange-flavored Easter cake mold contains dry toasted mixed nuts (cashews, filberts, almonds and peanuts) coated with a spice and salt mixture.

It is decorated with whipped cream and egg-shaped chocolate pieces. Makes an impressive dessert for the Easter dinner.

## EASTER PARTY NUT CAKE

(About 10 to 12 servings)

One (9 1/2 oz.) jar dry toasted mixed nuts, 2 envelopes unflavored gelatin, 1 1/2 cups cold water, 1 tablespoon flour, 1/2 cup sugar, 1 (6-oz.) can orange juice concentrate, 2 cups heavy cream, 1/4 cup semisweet chocolate pieces, melted.

Grind 1 1/2 cups of the mixed nuts. Set aside. Soften gelatin in cold water. Mix flour and sugar in saucepan. Stir in softening gelatin. Heat, stirring constantly until sugar and gelatin are completely dissolved. Stir in orange juice concentrate. Chill until mixture is consistency of unbeaten egg whites.

Meanwhile, beat 1 1/2 cups of heavy cream until stiff. Stir the ground mixed nuts into spring form pan. Chill. Make egg-shaped pattern and cut out 10 patterns of waxed paper. Spread one side of egg-shaped paper with melted chocolate.

Chill until hard. Whip remaining cream. To serve: Unmold gelatin. Decorate with a band of whipped cream around bottom edge, a band of whipped cream around center of mold and one on top.

Put remaining whole nuts on

top. Remove paper from chocolate eggs and stick one side of egg into whipped cream bands. Eggs will stick out around cake.

## FRESH SNAP BEANS, ONION RINGS, VINAIGRETTE SAUCE

(2 servings) One-half pound of fresh snap beans, 1 inch boiling water in saucepan, 1/4 teaspoon salt, 1/4 cup sliced small white onions, Vinaigrette Sauce.

Wash beans, cut off tips and leave whole. Place in a saucepan with 1-inch boiling water and salt. Bring to boiling point, uncovered and boil 5 minutes. Add sliced onions, cover and cook 7 to 8 minutes or until crisp-tender. Drain if necessary and serve with Vinaigrette Sauce. This dish may be served hot or chilled.

This sauce may be made in advance and stored in the refrigerator to use over cooked or raw fresh vegetables.

## Vinaigrette Sauce (2-3 cup)

One-half cup oil and vinegar type French dressing, 1 tablespoon chopped fresh parsley, 1 tablespoon finely chopped green pepper, 2 tablespoons finely chopped cucumber pickle, 1 teaspoon chopped fresh chives or onion.

Combine all ingredients and beat well. Serve over cooked or fresh vegetables.

Ever add a vanilla bean to a pound of confectioners' sugar? To do so, quarter the bean lengthwise and poke down into the sugar at regular intervals. This sugar is fine to use when you want to sweeten and flavor whipped cream.

A word from **HERON**  
at the  
Country Store

Some of those people who have been on the public payroll and in positions where they had the authority to tell some others to do things or else find things a little rough going when they deal with the general public.

The general public still enjoys a lot of freedoms which they are not going to give up without a battle. We in business are pretty well told what we shall do. Of course, we can speak up but it might not be to our advantage at times.

# Go Fly a Kite!

## MALAY KITE

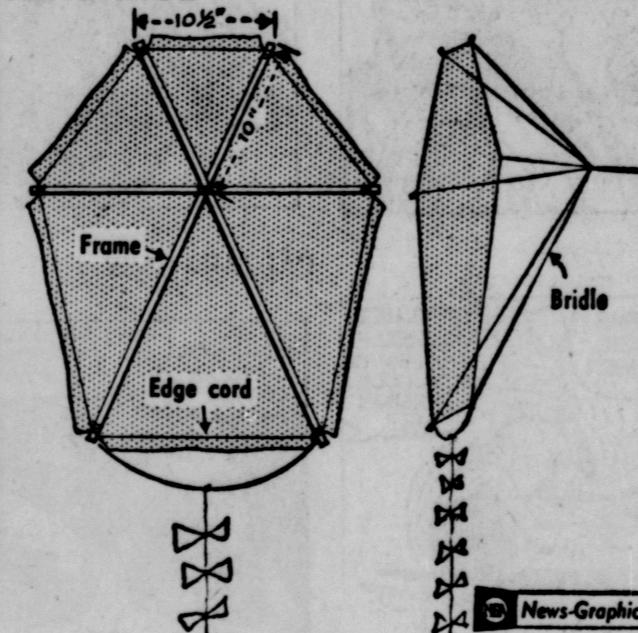

Frame should be made from spruce or bamboo ( $1\frac{1}{4} \times 36$  inches). Use tissue or crepe paper for cover, cotton twine for edge cord and bridle. Cement and lash center of bow to the spine 9 inches from one end of spine, then tie a piece of twine to one end of the bow, bend the bow upward and tie the twine to the other end. Pass the edge cord around the four ends of the notched frame and tie securely. Cover frame with paper. Attach bridle at the bottom of the spine and at the point where the bow and spine cross, making a small hole in the cover to pass the twine through.

## BOX KITE

Use four wood pieces  $\frac{1}{4} \times \frac{1}{4} \times 30$  inches (for edges), four pieces  $\frac{3}{4} \times \frac{1}{4} \times 17\frac{1}{4}$  inches (for braces) and two strips ( $12 \times 30$ ) of wrapping paper or plastic for cover. Assemble frame, placing braces four inches below ends of edges. Make sure braces are notched so that they fit edge sticks snugly. Cement cover around each end of frame, leaving center bare. The kiteline should be attached to the center of one edge stick. The kite flies with this edge down and no bridle is required.

## FLAT KITE

Frame is made of two pieces ( $\frac{1}{4} \times \frac{1}{4} \times 24$  inches) and one piece ( $\frac{1}{4} \times \frac{1}{4} \times 18$  inches) of spruce or bamboo. Use tissue or wrapping paper for the cover. Tail can be made of crepe ribbon or strips of light cloth. All sticks should cross at a point 10 inches from end of longer sticks (see diagram). Cement and lash the sticks together securely. Pass the edge cord around the ends of frame, then paste cover over the edge cord, allowing a  $\frac{1}{4}$ -inch overlap. Fasten two bridles to the upper and lower ends of the two long sticks and tie the crossed bridles together at a point about 9 inches from the surface of the kite (see diagram). Tie tail on lower bridle, attach upper bridle to kiteline.

## The Doctor Says

By Dr. WAYNE G. BRANDSTADT

### Choose Baby Sitters With Care

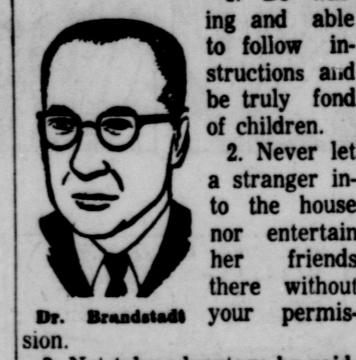

You should choose your baby sitter with even more care than when choosing a new car. She should:

1. Be willing and able to follow instructions and be truly fond of children.

2. Never let a stranger into the house nor entertain her friends there without your permission.

3. Not take advantage by raiding the refrigerator or using the telephone.

4. Not become so absorbed in radio or television she fails to hear the baby cry. If the baby does, she should make a quick check to rule out any serious cause.

Dr. Brandstadt

HAVING CHOSEN your sitter, see that she has all the information she may need. Show her where the telephone is and give her the phone numbers of the police and fire departments, family doctor and places where you can be reached.

Show her how to change a fuse and, in winter, how to regulate the heat. She should also know where your first aid supplies are kept. Be sure she knows where all the emergency exits are.

Do not hire a sitter if the child has a cold or other contagious disease. And if the sitter has a cold, do not employ her. If you get home late you should escort the sitter to her home.

Observance of these simple rules will increase your peace of mind and will be appreciated by a sitter whose services you may want to use again.

—What causes a child to be born with so-called hereditary defects?

—I assume you want to know why a child may be born with any defects. True hereditary defects are caused by some abnormality that is carried in the genes found in either the sperm or ovum. These genes predetermine such structural features as the size, shape and color of various parts of the body. Hereditary defects are accentuated if there is a close kinship between the husband and wife.

Other causes of congenital defects can be traced to certain virus diseases occurring in the first three months of pregnancy, or a diet grossly lacking in certain essential nutrients — especially folic acid. This is a vitamin found in chicken liver, asparagus, broccoli, lettuce and spinach.

Certain drugs — as was so tragically shown in the case of thalidomide sleeping pills — can be a cause. And the exposure of the mother's ovaries or of the embryo to large doses of X-ray can have harmful effects.

Buckeye Club to Meet

Members of Miss Harriet Pervival's third grade at Buckeye School, who comprise the Junior Garden Club sponsored by the Salem Garden Study Club, will meet Tuesday at the school and participate in a workshop demonstrating "Indoor Bulb Growing" and the making of corsages.

Members of the Berlin-Ellsworth Ruritan Club enjoyed a panel discussion of the roles of the minister and the layman in church work when they met for dinner Monday evening at the Berlin Methodist Church.

Expounding the subject from the minister's point of view were Rev. Gerhardt Mengers of the Mount Moriah Church, Rev. Charles MacLagan of the host church, and Rev. Fred Cochran of the Ellsworth Presbyterian Church. Laymen participating were Eugene Paulo, Arthur Royer and David Myers.

A donation of \$25 each to the delegates to Boys and Girls State was approved, as was a gift of \$30 to the High School Annual publication. The uniform fund of the Western Reserve Band was given \$100 from the club, proceeds from the recent sausage and pancake supper.

Mike Owen announced that the club basketball team would meet the Deerfield team Thursday at 8:45 p.m. in the Western Reserve High School gym for the championship tournament game.

Juniors — Randy Engle, Sally Leatherberry, Judith Mangun, Nancy Carlson, Judy Hall, Jac-

quelyn Jewell, Diana Kelly, Sherrill Kupinski, Karen Maple, Nancy Miller, Nancy McGranahan, and Elfriede Ziegler.

Seniors — Barbara Hurchanik, Joy Barnhouse, Suellen Hutter, Wanda Phillips, Susan Sell, and Betty Steele.
